Pisasu is a Tamil film released in India on 22 November 2011. The movie revolves around the life of a young girl from the streets of Chennai who sets out to make it big as an actress, despite all odds.

Pisasu is a short film that will leave you feeling disturbed and awed at the same time. Children need guidance and more importantly reassurance from their parents in order to grow up into strong individuals that can stand against anything that might happen in their lives. Pisasu has all these elements in it for its viewers, but can't be considered just another coming-of-age story owing to its darker undertones even if they are not always emphasized in each scene.

Its first print was released on 13 Oct 2011. A new release date was announced on 22 Nov 2011.

Taru is a young woman who comes from a very poor family, she was born into an orphanage with no friends or anyone to care about her. She gets sent to an orphanage where she meets an older girl named Vasanthi who takes care of her. The orphanage is very strict and she is unable to express herself freely or do anything that she likes. When Vasanthi runs away from the orphanage, the younger Taru goes with her to find her streetside family. Taru finds out that her mother owes money to people and cannot go home again. One girl named Rajeshwari promises Taru that she will take care of this matter for her mother and decides to stay in the streets with Rajeshwari's family until all debts are paid off. Rajeshwari's family is very strict and is involved in an mafia-like syndicate. Taru has to stay there and work as a domestic maid, and is helpless against everything that happens. She is the only surviving member of the family and Rajeshwari's younger brother is getting more aggressive towards her now. The whole story was shot at Delhi which is the last city that was shooted.
